

WE ARE HONORED TO BE UPCEA MEMBERS

The ability for all of our staff to benefit from UPCEA's resources and member benefits has been very effective for our colleagues, including:

- ❖ Networking with colleagues at conferences
- ❖ Sharing best practices in continuing education
- ❖ Exchanging ideas and brainstorming solutions

Also, in the past two years, our team is very proud to have been recognized for their work by receiving three UPCEA awards. This is a great honor coming from UPCEA, the leading continuing education association in the US.

"UPCEA provides a wealth of resources and superb research, helping us remain current in continuing education trends."

How has the urgent move to remote learning impacted the importance of your Membership?

The changes we needed to make so suddenly this spring were overwhelming. Having access to UPCEA's extensive resources was crucial to helping us successfully navigate a "new normal."

Would you recommend an UPCEA Institutional Membership to others?

UPCEA is the "one-stop" shop to stay up to date on all of latest continuing education related topics. I would recommend UPCEA membership to all higher ed institutions, government departments of education, as well as those that work with higher education through the products and services they provide.
