

# MEMBERSHIP MATTERS!

Your investment in UPCEA membership gives you and your team these exclusive benefits:

## Connect with Nearly 10,000 Colleagues

- + Start a discussion in **CORe**, our online member community
- + Join our professional **Networks** and connect with members with similar roles and interests
- + Belong to a community of peers who understand professional, continuing and online education

## Boost Your Career

- + Network and learn with our **free and fully virtual 2021 Regional Conferences this fall**, featuring peer-led concurrent sessions and inspiring keynotes—FREE FOR MEMBERS!
- + Use any or all of our Hallmarks of Excellence frameworks to strengthen your unit and ensure quality
- + Take individual courses or earn a certificate with our new **professional development programs**
- + Check out 30+ free webinars and chats throughout the year
- + Volunteer as a leader, presenter or mentor
- + Showcase your accomplishments with UPCEA's awards program

## Leverage the Expertise of Leaders

- + Get the latest takes on trending topics from UPCEA's experts and see what members are talking about with *Membership Matters*, our member newsletter
- + Check out hundreds of recorded conference sessions and webinars, plus benchmarking and research studies in our library
- + Be the first to know about trends and news with our blogs and updates
- + Receive the latest federal policy updates and advocacy information

## Access our Experts

- + Get the research you need to grow your unit—the best value in the industry today
- + Need a quick consult? Members can get a free **"Second Opinion"** from our experts
- + See how you stack up with member benchmarking studies or custom research at member rates

## Save Money

- + Enjoy member rates for conferences, courses and consulting
- + Attend **free** 2021 Regional Conferences
- + Access **free** expert advice and research studies
- + Get member rates for job postings in our Career Center
- + Add an unlimited number of colleagues to your roster with your institutional membership

## BY THE NUMBERS

- + Nearly **10K** members
- + **4.9K** searchable discussions
- + **450+** shared resources in CORe

"Having access to **UPCEA's extensive resources** was crucial to helping us successfully navigate a new normal."

—Mili Maldonado,  
Florida International University
