

UPCEA Snap Poll – August 2022

Nomenclature and Alternative Credentials

In August 2022, 170 individuals participated in a snap poll on nomenclature and alternative credentials at their institutions, including professional, continuing, and online education (PCO) units. Invitations were sent out via UPCEA’s Membership Matters newsletter and links were posted on the UPCEA CORE discussion site.

In your opinion, what is the best nomenclature/umbrella term for describing programs that institutions of higher education offer outside of the scope of degrees and credit-bearing certificates? (n=170)

Does your institution currently offer programs, such as badges or certificates, that are outside of the scope of traditional degree programs and credit-bearing certificates? (n=170)

Does your institution use the term you noted in the first question to describe programming outside of the scope of degrees and credit-bearing certificates? (n=136)

Approximately how many of these programs does your institution currently offer? (n=122)

Which of the following best describes your institution? (n=153)
